## 5 Planning application:

**Application No:** 2020/0691

**Location/Proposal:** 22 St Mary's Close

**Demolition of existing shop/post office extension  
and erection of new dwelling.**

This application appeared to be identical to that which was approved three years earlier. The application was necessary as the approval was about to expire.

It was noted that there was objection from the owners of the property opposite concerned with vehicle parking, they had suggested a smaller property. Parking had been the main concern of residents when this application had been considered three years ago.

**It was agreed to recommend approval with concern regarding parking.**
