Good morning,

Further to your recent enquiry please find attached our quotation for your Council. We have obtained a quotation at a total premium of **£1,227.88** inclusive of 12% insurance premium tax and our arrangement fee of £50.00. A 3-year Long Term Undertaking would reduce the annual premium to **£1,198.40** including insurance premium tax.

We have established your needs as detailed on the enclosed **Risk Details Document** and **Statement of Fact**. Please check the statements and answers that are shown on these documents and let us know if anything is incorrect, as any inaccuracies or omissions may invalidate your cover. Should any alterations be required then please contact our Local Councils team on 0330 013 0036.

Here at Clear Councils Insurance, we structure our insurance policy as a 'package' providing a set minimum level of cover depending on your population size. We do this to try and ensure that Councils have adequate cover and don't have to tell us every time there is a change to a sum insured, as long as it is within the cover limit, saving you time on administration.

- Contents
- Street Furniture
- Walls, Gates and Fences
- Playground Equipment
- War Memorials
- Mowers and Machinery
- Sports Equipment

* We can increase your cover at any time beyond these minimum policy limits if they are not adequate for your Council's needs. Please note however that we cannot remove or reduce these covers individually.

It is important that you check the levels of cover and sums insured noted on the enclosed documents are correct and reflective of current valuations, and that you are not under insured.
