

Dear XXXX

Newton Flotman Parish Council has recently undertaken a Neighbourhood Plan. As part of the process of putting this together the need for an additional cemetery was highlighted. The document can be read here [Newton Flotman NP ADOPTED October 2025](#)

It is the Parish Council's responsibility to acquire the land for the cemetery on behalf of the Parish. As a local land owner the Parish Council are asking you if you have any suitable land, ideally close to St Mary's Church, that could be made available for a cemetery for the Parish.

The Parish Council would welcome discussions with you on this matter and how we can work together to benefit residents.

Kind regards
